Dear Dr. Abwao,

Re: **Application for designation as a Regional Centre of Regulatory Excellence**

Reference is made to your application to be considered for designation as a Regional Centre of Regulatory Excellence (RCORE).

I am pleased to inform you that your application was reviewed by the African Medicines Regulatory Harmonization (AMRH) Programme Technical Working Group (TWG) on Regulatory Capacity Development and subsequently considered by the AMRH Advisory Committee.

Following review of your application, I am happy to inform you that your institution has been approved for designation as a **Regional Centre of Regulatory Excellence (RCORE) in Pharmacovigilance**.

In order to conclude the designation process, we would like to request you to submit a detailed curriculum related to regulatory training carried out by your institution. Send these to the attention of Margareth Ndomondo-Sigonda at mnsigonda@nepadst.org and/or Paul Tanui at paul@nepadst.org. Tel: +27128414979. We would be grateful if this is received by 16 June 2014.

We look forward to working closely with you.

Yours sincerely,

Prof Aggrey Ambali
