

Dear Pharmacovigilantes,

It has come to the attention of the Pharmacy and Poisons Board that the following Nitrofurantoin-containing products which are not registered in Kenya are being offered for sale for veterinary use:

1. FUZOL (Furazolidine) suspension 1L manufactured by Cosmos Ltd
2. FUZOL (Furazolidine) suspension 125mL manufactured by Cosmos Ltd
3. FUZOL (Furazolidine) granules 6g manufactured by Cosmos Ltd

A recall and withdrawal of the above mentioned products is currently ongoing.

Sale of an unregistered medicine in Kenya is illegal.

All are requested to be vigilant and ensure that the above are recalled back to the manufacturer for subsequent destruction by PPB inspectors, who are already coordinating the same.

Jayesh
